MEMORANDUM FOR THE RECORD

SUBJECT: Meeting with Staff Members of the Senate Preparedness
Investigating Subcommittee

25X1 1. [] (OSI) and John S. Warner met with James T. Kendall, Chief Counsel, and Glenn Smith, Professional Staff Member, Senate Preparedness Investigating Subcommittee, and briefed them on the Chinese nuclear program. [] furnished them with the same general briefing with certain photography and charts which had been furnished to the staff of the Joint Committee on Atomic Energy earlier this week. 25X1

2. Smith appeared somewhat concerned since he apparently had briefed Senator Stennis that the first explosion of a nuclear device by the Chinese would not be until 1965. As Smith put it, the actual event caught him short and out on a limb with the Senator. In fact there was no basis for Smith being in this position based on the briefing furnished him by the Agency. It was clear that it was his interpretation of those briefings that put him out on the limb. Smith was also interested in

[] 25X1

25X1 [] As to these no explanation was offered but as to the President's statement indicating Lop Nor as the site of the test, it was indicated that this would not necessarily have come from sensitive sources.

25X1 3. Smith also inquired as to how the Joint Committee on Atomic Energy staff were able to send word to Committee members on the [] aspects. It was indicated that by orders of the DCI the staff had been briefed two days ago. Thus it appears the interchange of information and competition between the Joint Committee staff and the Senate Preparedness staff continues. Kendall and Smith seemed generally satisfied with the information furnished and were appreciative of our coming up.
